

2025 PHILIPPINE CHAMBER OF COMMERCE AND INDUSTRY (PCCI) - PHILIPPINES-JAPAN BUSINESS COUNCIL (PJBC) BUSINESS MISSION TO JAPAN						
Delegation List as of 2 June 2025						
No.	Organization	Title	Full Name	Designation	Company Overview	Interest
Head of Mission						
1	Philippine Chamber of Commerce and Industry	Consul	Enunina V. Mangio	President	The Philippine Chamber of Commerce and Industry (PCCI) is a non-stock, non-profit, non-government business organization comprised of small, medium, and large enterprises, local chambers and industry associations representing various sectors of business, all working together to foster a healthier Philippine economy and improve the viability of business in the community.	Areas of Interest include Chemical, Food & Beverage, Renewable Energy, Water Treatment, Health and Wellness.
	Mawell Chemical Corporation			Chairperson		
Agriculture						
1	Maying Ricemill and Comprada	Ms.	Regina Villamor Melchor	Executive Vice President - EVP	Maying Ricemill and Comprada is a rice milling company specializing in both wholesale and retail distribution.	We seek to connect with executives from Japanese companies that provide rice mill parts, equipment, and accessories. This collaboration will give us access to state-of-the-art equipment like high-capacity hullers, modern polishers, and sorting systems. We aim to upgrade our milling process to improve production efficiency, reduce waste, and deliver superior-quality rice to our customers. Additionally, we are interested in acquiring energy-saving drying facilities and rice milling equipment. We would appreciate directories of potential suppliers to help enhance our milling operations and boost profitability and market competitiveness.
Business Promotion						
1	Philippine Chamber of Commerce and Industry	Mr.	Ruben J. Pascual	Secretary General	The Philippine Chamber of Commerce and Industry (PCCI) is a non-stock, non-profit, non-government business organization comprised of small, medium, and large enterprises, local chambers and industry associations representing various sectors of business, all working together to foster a healthier Philippine economy and improve the viability of business in the community.	
2	The Subic Bay Freeport Chamber of Commerce Inc.	Ms.	Donna May B. Tamayo	Executive Director	The Subic Bay Freeport Chamber of Commerce Inc. is a nonprofit, membership-funded organization founded in 1995 to serve and represent the interests of its member businesses.	
Construction						
1	ALC Holdings Co Inc	Mr.	Paul Cristobal	Director	We are an end-to-end managed service solutions for residential, commercial, and industrial sectors, real estate — from design and planning to supply, implementation, and after-sales support. Our scope spans FMCG (food and non-food essentials) to renewable energy systems.	We are establishing ourselves in the construction and building industry as both a supply and service company. Our goal is to optimize our operations and integrate cutting-edge technologies for efficient, sustainable, and advanced construction services. To achieve this, we seek to collaborate with Japanese companies renowned for their innovation and expertise in the construction sector. We believe that partnering with these companies will enable us to enhance our capabilities and deliver superior services. We are eager to meet and discuss potential collaborations that can drive our mutual growth and success in the industry.
2	Adjed Builders and Development Corp.	Mr.	Adriel A. Bersola	Vice President		
3	VNR Construction	Engr.	Nelson Q.Remulla	President	VNR Construction Development Company provides reliable construction contract services, with a focus on delivering quality results on time and within budget.	We are interested in strategic co-development, technical collaboration, and joint ventures in industries such as cybersecurity, construction technology, and waste management.
4		Mr.	Victor Windsor A. Remulla	Assistant		
Energy						
1	AGB Gasoline Station	Ms.	Antonia Gaita Badong	President		
Franchising/ Retail/ Trade/ Distribution						

1	Philippine Chamber of Commerce and Industry	Ms.	Ma. Alegria S. Limjoco	Vice President	The Philippine Chamber of Commerce and Industry (PCCI) is a non-stock, non-profit, non-government business organization comprised of small, medium, and large enterprises, local chambers and industry associations representing various sectors of business, all working together to foster a healthier Philippine economy and improve the viability of business in the community.	
2	Poolmaster Consumer Trading Corp.	Mr.	Brandy Braddock Zafe	President	Poolmaster Consumer Trading Corp is a Philippine-based importer and nationwide distributor of high-quality swimming pool chemicals, equipment, and accessories.	Poolmaster Consumer Trading Corp is looking for Japanese manufacturers of swimming pool disinfectant (chemicals) such calcium hypochlorite, TCCA and Pool equipment/ materials. Aside from this, the executive management of the company also owns a real estate brokerage company in the Philippines (RE/MAX 8) and a licensed real estate broker who handles residential, commercial and industrial in Metro Manila perfect for Japanese investors who want to add Philippines in their real estate portfolio. Our firm is ideally positioned to support Japanese investors looking to expand their real estate portfolio in the Philippines, offering tailored opportunities in industrial properties—particularly in the warehouse segment—as well as project sales of residential condominium developments.
3	Subic Auto Trucks and Machinery Ltd., Corp.	Mr.	Iftikhar Hussain Chaudhry	Director	Subic Auto Trucks is a business that has great significance in the industrial aspect. The equipment are mainly needed to create and develop infrastructures	The company is open to attending any type of business meeting. However, it is particularly interested in meetings with companies involved in industrial sectors—specifically Heavy Machinery, Automotive, and Food and Beverages—given the direct impact these have on the firm.
Healthcare and Medical Equipment						
1	Aruga N Healthdepot Corp	Ms.	Rosario A. Quinia	CEO/ President	Aruga N Healthdepot Corporation is a Philippine-based medical device importer and wholesaler, specializing in the distribution of medical, laboratory, dental, and pharmaceutical supplies and equipment.	Our company intends to establish exclusive or non-exclusive distributorship agreements with reputable Japanese manufacturers of medical, laboratory, dental, or pharmaceutical products.
2	Philippine Chamber of Commerce and Industry	Dr.	Hernando Delizo	Area Vice President	OneHealthNetwork (OHN), a registered utility model and trademark with the Intellectual Property Office of the Philippines, is a platform that serves as digital service frontdoor for patient access to continuing care, an important component of "preventive connected healthcare".	The proposed purchase and distribution agreement with Japanese companies, using OHN as a platform, aligns with OHN's core features, including clinic systems (e.g., Bluetooth-connected sugar and blood pressure devices), diagnostic tests (portable blood chemistry machines, handheld ultrasound, portable X-ray, AI-powered ECG), pharmacy products (health and wellness supplements), and corporate healthcare accounts (wearable lifestyle monitors like smart rings and watches). OHN's eCommerce platform facilitates the exchange of health, medical, and wellness products and services. This expansion supports the government's universal healthcare initiative focused on primary and preventive care. The platform will integrate selected medical and wearable devices to monitor lifestyle behaviors such as exercise, diet, and sugar levels, targeting populations like the elderly and industrial workers. Co-development of AI-enhanced devices integrated into the system is also planned. Establishing a joint venture for manufacturing and distribution of these devices is feasible, given the large target population of approximately 20.6 million in Metro Manila and Calabarzon, supported by the regions' strong GDP and purchasing power.
	Medhealth Diagnostic Services, Inc.			Chairman and CEO		
3	Philippine Chamber of Commerce and Industry	Ms.	Rebecca Bucad	Co-chairperson of Health and Wellness Committee	The Philippine Chamber of Commerce and Industry (PCCI) is a non-stock, non-profit, non-government business organization comprised of small, medium, and large enterprises, local chambers and industry associations representing various sectors of business, all working together to foster a healthier Philippine economy and improve the viability of business in the community.	

4	Sacred Heart Diagnostic Medical Center Inc.	Ms.	Dra. Luzviminda S. Jose, M.D.	Medical Administrator	SACRED HEART DIAGNOSTIC MEDICAL CENTER, INC. is a clinic specializing in pre-employment and annual medical examinations for both local and overseas workers. Occupying a 500-square-meter facility, the clinic is fully compartmentalized into specialized departments—including Dental, Ultrasound, X-ray, Optical, Laboratory, ECG, Treadmill Stress Test, Drug Testing, Audiometry, and a Psychological Testing Room—to ensure an efficient medical process.	The company is focused on expanding its business through strategic partnerships and international trade, particularly involving Japanese products. Its core interests include securing distributorship agreements to sell Japan-made goods, importing advanced medical equipment for use in franchise operations, and establishing joint ventures in the fields of franchising and manpower services. Additionally, the company is committed to promoting and distributing health care products, aligning its business activities with the growing demand for quality medical and wellness solutions.
Hospitality/ Tourism						
1	Hi-Way 411 Resort and Travellers Inn	Ms.	Teresita B. Delfin	Vice President	Hi-Way 411 Resort is an established recreation facility that offers quality and high standard customer service to our guests.	Hi-Way 411 Resort aims to understand further how we can improve our sales through marketing strategies in the tourism industry.
2	KYM Property Development Group Inc.	Mr.	Hirokazu Matsuda	Member	KYM Property Development Group Inc. as part of the Jipang Group is a group of companies engaged in different industries from real estate, hotels and restaurants, gambling & leisure, healthcare and wellness, and import/export and distribution.	Our company imports and distributes Nihon Trim electrolyzed hydrogen water machines from Japan to the Philippine market and is actively seeking new opportunities to distribute quality Japanese products in the Philippines as well as Filipino products in Japan, with no restrictions on product type or industry as long as there is a strong market fit. We are authorized distributors of Japanese products to National Bookstore, the largest bookstore and stationery chain in the Philippines. Our group has diverse ventures including real estate development (hotels and condominiums), hospitality and leisure (spas and saunas), food and beverage (restaurants), gaming (casino licenses and operations), and import/export. Additionally, we hold a stake in a licensed manpower agency with the capability to deploy Filipino workers to Japan, and we welcome opportunities in this sector as well.
